

# Inca One Gold Corporation

Inca One Gold Corp is a gold producer operating two, fully permitted, gold mineral processing facilities in Peru. The Company has produced in excess of 92,000 ounces of gold, generating over US\$125 million in revenue from its first 6 years of operations. Inca One, is led by an experienced and capable management team that has established the Company as a trusted leader in servicing government permitted, small-scale miners in Peru. Peru is the world's seventh-largest producer of gold and its small-scale mining sector is estimated by government officials to be valued in the billions of dollars annually. Inca One possesses a combined 450 tonnes per day permitted operating capacity at its two fully integrated plants, Chala One and Kori One.
